

**Dear Hiring Manager,**

I am pleased to apply for the Internship Program. As a recent Computer Engineering graduate from the University of Basrah, I have gained experience in programming, data analysis, and system design through academic projects and practical training. My work on developing applications and analyzing datasets has sharpened my technical and problem-solving skills.

I am particularly drawn to this opportunity because it aligns with my ambition to grow in a dynamic and innovative environment. I am confident that my passion for learning, attention to detail, and ability to adapt will allow me to make a meaningful contribution to your team.

Thank you for considering my application. I look forward to the opportunity to discuss how I can support your organization's success.

**Sincerely,**

**Aya Laheb**
